Tuscola County Conservation Club
www.tcccmi.com November 2020

November has arrived, and by the time you read this the election will be over, and with that comes the end of political commercials AND the hope of finding ammo again!

We recently had several volunteers come out to help with our yearly load of clay targets delivery. Thank you to each and every one who took the time from their busy schedules to make quick work of the organizing and storage of the targets. Special thank you to Schriber Farms for the use of their equipment. We appreciate you! Volunteers are the heart of TCCC ❤️❤️❤️❤️

Shotgun Sports: We are proud to announce (drumroll please!) because we have ***the most awesome knowledgeable volunteers ever*** - the Trap Field has lights! *And if all goes to plan*, we hope to have lights on the Skeet Field Thursday too! So, the fun doesn't have to end when the sun sets! Come join us on Thursdays 5:30p to 8:00p for Trap and Skeet!

Business office: New Memberships and renewals, questions about the club, we are

CPL Class

The most general way to prove your competency is to take a firearms training course. This could be a safety course, a training course, a shooting course amongst many other choices. Obtaining a Concealed Pistols License is a smart idea to ensure you are well trained when it comes to handling your firearm. You can put your life, or your family's lives, at risk if you are unskilled when the pressure is on. Don't put yourself at major risk of doing something illegal or of being useless with your firearm at the time you need it most. *You should want to be the best you can be with your weapon.* There has never been a better time. Enroll now:

At the lodge

A page has been added to the website called "at the lodge" to share hunting photos. Along with your deer trophies or 1st deer photos, lets also include other hunting photos as we have many goose, duck, turkey hunters as well as other categories – please share! send photos to 1060gunclubrd@gmail.com

3-Gun Match

Brass will be holding their night match Saturday, Dec 12. There will be three courses of fire (all pistol, all rifle, rifle & pistol). Bring rail-mounted lights for your rifle and pistol, as handheld flashlights will not be permitted. Please dress in bright/light colored clothing and also dress for the weather. Details and signup >>
